# Kaweah Health Foundation
Modernization Campaign 2.0
2022-24 • Caring for Our Caregivers

Employee Pledge Form

We Hope you will support Kaweah Health Foundation by participating in the payroll deduction donation program. Funds donated will be deposited in the Foundation's Caring for our Caregivers Campaign (Modernization 2.0 Fund).

Care is a verb.

You Spoke, We Listened.

"Caring for Our Caregivers" focuses on creating and renewing areas used by our Kaweah Health family every day. These areas are located at Downtown, Court Street, Exeter, Woodlake, and Lindsay campuses. This campaign includes:

Dedication Monuments
Two monuments honoring those healed, those who heal, and those lost. These dedication areas will give staff members a place of peace and reflection.

Renovating Breakrooms, Locker Rooms, and Lounges
Updating these essential work and break areas will provide an environment for rest and renewal during a challenging day.

Our Kaweah Health family works hard every day to provide world-class health care. We are thankful you go the extra mile for our patients and community!

I want to participate at the following level:

☐ **FLAT FEE DONATION:** I will donate $ _____ per pay period.

☐ **HOUR CLUB DONATION - Full Time Employee:**
Enroll me in the HOUR CLUB - I will donate one hour of my base pay per pay period.

☐ **HOUR CLUB DONATION - Part Time Employee:** I am a part time employee and will donate one-half hour of my base pay per pay period. (Part time employees who work less than 60 hours per pay period may join the Hour Club by pledging one-half hour of their pay per pay period.)

I understand my payroll deductions will continue (and will rollover to future campaigns) until l instruct Kaweah Health Foundation to discontinue my donations.
