Recognize Your
Guardian Angel

Everyone at Kaweah Delta Medical Center is dedicated to providing you with excellent care and service. While at Kaweah Delta, you can be sure that you have access to highly skilled doctors, nurses, and other healthcare professionals, along with the latest medical technology.

Each year, thousands of patients receive essential health care services and often they search for a way to express their appreciation for the excellent care they received.

Kaweah Delta's Guardian Angel Program provides a way for patients to say thank you with a charitable donation while recognizing a doctor, nurse or other caregiver who made a difference during their hospital stay.

When you make a donation in honor of your Kaweah Delta Guardian Angel, the honoree will receive an acknowledgment letter and a custom-designed lapel pin to wear proudly throughout the hospital or medical office.
