Kaweah Health

Student Nurse Employment Opportunities

We are NOW accepting applications for the upcoming
Fall 2023 semester!

Anissa Rivera, RN
CNA, LVN, Student Nurse, RN,
Clinical Nurse of the Year Award Recipient

Deadline to Apply: July 23, 2023 | Program start date: June 2023 – July 2023

Kaweah Health's Student Nurse program is designed to augment the clinical skills acquired while enrolled in an affiliated academic school of nursing, providing an opportunity to build relationships with the healthcare team in a safe learning environment.

Employment opportunities are part-time, paid positions that work around your school schedule. If you meet the requirements by your next enrolled semester (Fall 2023), apply today. Capacity is limited.

Student Nurse Aide (SNA)

SNA's will function as a nursing assistant, provide basic bedside care, and apply previously learned nursing theory and clinical skills as directed by an RN.

Requirements by start date:

• Completion of at least one semester in an accredited RN Program.

• Concurrent enrollment throughout employment in a BRN approved Work Study Course through your RN school program.

Student Nurse Intern (SNI)

SNI's are partnered with a Kaweah Health RN Mentor. Under the direct supervision of the RN Mentor, the SNI will provide bedside care and participate in advanced clinical activities that augment previously learned nursing theory and validated performance skills, including formulating the patient's plan of care and implementing physician orders.

Requirements by start date:

• Upcoming enrollment of final semester in an accredited RN Program.

• Concurrent enrollment throughout employment in a BRN approved Work Study Course through your RN school program.

Apply today at: KaweahHealth.org/careers
